ABN 32 776 742 935

Financial Report

For the year ended 30 June 2024

The East West Foundation of Australia Inc.

Report of the Committee of Members 30 June 2024

The members of the committee of The East West Foundation of Australia Inc. present their report, together with the financial statements on the incorporated association for the year ended 30 June 2024.

Principal Activities

The East West Foundation of Australia Inc is an Incorporated association. The East West Foundation of Australia Inc was incorporated on 6 June 2018 and registered under the Australian Charities and Not-for-Profits Commission Act 2012 effective 31 October 2018. Operations effectively commenced in April 2019.

The East West Foundation of Australia Inc.'s primary aim is to seek donations and undertake fundraising activities on behalf of The East West Foundation of India (TEWFI) whose aim is to help a poor and needy community of people in rural South India through a range of activities in healthcare, education, children's rights and relief, community development and environmental programmes.

It is a volunteer-driven charitable foundation.

Performance measures

The East West Foundation of Australia Inc measures its performance in the amount of funds raised for the benefit of TEWFI.

Going concern

The financial statements have been prepared on a going concern basis which contemplates the continuity of normal operations and recognition of assets and liabilities in the ordinary course of business. For the year ended 30 June 2024, the association reported a net asset position of \$61,803 and a current year surplus of \$28,540.

The ability of the association to continue as a going concern and pay its debts as and when they fall due is dependent upon continued donations, adequate fundraising activities and sound expense management. The Management Committee members are of the opinion that the association is able to continue to fund its operations and that the preparation of the financial statements on a going concern basis is appropriate.

On behalf of the Members of the Committee

President

The East West Foundation of Australia Inc.

Notes to the financial statements For the year ended 30 June 2024

Note 1. Statement of Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. The East West Foundation of Australia Inc was incorporated on 6 June 2018 and registered with the Australian Charities and Not-for-Profits Commission effective 31 October 2018. These policies have been consistently applied in the year presented, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting year. There has been no significant impact on the financial statements because of the adoption of these new standards.

Basis of preparation

In the officers' opinion, the association is not a reporting association because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the *Australian Charities and Not-for-profits Commission Act 2012* and the *associations Incorporation Reform Act 2012*. The officers have determined that the accounting policies adopted are appropriate to meet the needs of the members of The East West Foundation of Australia Inc.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

The East West Foundation of Australia Inc.

Notes to the financial statements for the year ended 30 June 2024

Note 1. Statement of Significant Accounting Policies (continued)

a) Revenue and other income

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Revenue from donations, fundraising activities and other income is measured at the fair value of the consideration received or receivable.

Donation income is recognised when the association obtains control over the funds, which is generally at the time of receipt.

Interest revenue is recognised using the effective interest rate method using an appropriate interest rate.

Volunteer Services

The association has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised

b) Income tax

The association is a not-for-profit organisation and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

c) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

d) Trade and other receivables

Other receivables are recognised at amortised cost, less any allowance for expected credit losses

e) Trade and other payables

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

The East West Foundation of Australia Inc.

Notes to the financial statements for the year ended 30 June 2024

f) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the incorporated association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting year; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting year. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the incorporated association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting year; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting year. All other liabilities are classified as non-current.

g) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the association for the annual reporting year ended 30 June 2024.

Note 2. Critical accounting estimates and judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances.

The East West Foundation of Australia Inc.

**Statement by Members of the Management Committee
30 June 2024**

The Members of the Management Committee of The East West Foundation of Australia Inc. have determined that the association is not a reporting association and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the Financial Statements for the purposes of complying with the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Reform Act 2012.

In the opinion of the Members of the Management Committee of The East West Foundation of Australia Inc., the financial statements of the association:

- i. The attached financial statements and notes comply with the Accounting Standards as described in note 1 to the financial statements;
- ii. The attached financial statements give a true and fair view of the association's financial position as at 30 June 2024 and its performance for the year ended on that; and
- iii. At the date of the statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Management Committee of The East West Foundation of Australia Inc. and is signed for and on behalf of the Management Committee by:

Management Committee Member
PRESIDENT

Name: DAVID PARSONS
7/12/2024

Management Committee Member
